LE  
CABARET  
DE LA  
SECONDE  
CHANCE

Cabaret de la Seconde Chance is looking for artists (music, texts, poetry, dance, humor, painting, sculpture, drawing, etc.) for its 10th edition. Here's a golden opportunity to perform on a renowned stage, alongside professional artists!

You can also submit songs, poems or texts for professional interpretation.

This anniversary edition will focus on those around you, what they may be going through and/or the support they can provide. Let this theme inspire you! They can take part too! If you're incarcerated and can't get a special release, you can be represented by someone else (visual art, text, poem).

Organized by the Association des services de réhabilitation sociale du Québec (ASRSQ), the event, consisting of a visual art exhibition and show, will take place on October 18, 2024 at the Gesù theatre in Montreal. The 425-seat venue has sold out several times in recent years!

To submit your application, talk to your ALC, who will be able to give you more details.
